ANNUAL REPORT: 2020 (1st April) ~ 2021 (31st March)

Due to the pandemic wave of Corona India was in backfoot during the month of March, April & May, 2020, primarily. During the time we put our all efforts towards fight back through assisting the people in need and coordinating various government and not government agencies.

We started online awareness, counseling, & treatment through PANINDIA by our health team members, both medics & para-medics. All social media tools, ie whats app, face book, instagram etc were used to reach upto the town & village beneficiaries.

Not only consultation but also food packets, mask, sanitizer and medicine, where possible were distributed through our members, volunteers, well wishers.

We put the name of groups, society, influential person/s etc as our collaborator and through their various social group/s circulated the message of free awareness, consultation on COVID19, which was got tremendous response.

Showing our oneness with the country we lighten the candle & blow the crunch shell and paid tribute to the frontline corona warriors. Including quarries on the disease, information, seeking treatment and requesting for food and tickets to go home from the daily laborers' and other category of people who were stranded in between due to sudden lock down announced by the government, we got around 18-20 calls a day during the pick time and total call attended around 3000.

We circulated an video to explain the do & do not, exercise, diet and how to become positive during such worst situation and with a strong message of win back India, based of our firsthand experience of dealing with COVID CASES over phone.

Some of the sample of our communication & circulation along with relief works, as follows:

Child Commission, Delhi NCR chose our organization as a partner to pledge not make any child labor work under the age of 18 and report that if found anywhere in domestic & commercial set up. Children having the right to life, identity, nutrition & health, education, entertainment, family & family environment, protection from neglect, mistreatment, abuse, non legal trade etc. India will be prosperous, successful & developed when we able to pay real honor to our children in book and spirit.

We attended several meetings and exchanged our views in various issues including pandemic situation, survival human rights, understanding eradication of poverty through webinar as a member of ECOSOC, United Nation.

Attended several workshop organized by DANAMOJO our payment gateway partner including poster making process and other donation collection tips, won some prizes participating in donation collection matching competition.

Our lectures on Health issues still continuing with DELH POLICE, through webinar due to lock down situation. We received letter of appreciation and our understanding to deliver regular lectures to the police personnel extended & continuing for consecutive 5th years, started in 2017.

This time we associated with DEVI DURGA POOJA SAMTY and make the members aware on various health issues. Like last 5 years, started from 2016, we continue to achieve the GUIDE STAR INDIA TRANSPERANCY KEY 2021.

During the lockdown our volunteers worked from remote to make the teenage aware about DRUGS & its consequences. Application process started for renewal of 12A, 80G, FCRA & opened the FCRA account at SEI, Main Branch, New Delhi.
